Forest Fire Burns Over 1,000 Acres

Fire burned over 1,000 acres of grass and timberland east of Hope during the night. It took 14 hours to put it out.

The blaze started about 5:30 p.m. Sunday and wasn't brought under control until Monday morning. The fire started about five miles east of Hope and burned a path two miles wide and five miles long.

Some 500 acres of timber burned over. Most of the timber belonged to the Ozan Lumber Company and the Murphy Corporation and some resident of the area.

Ed Waddell, District Forester of Stamps, praised the work of volunteers who fought the blaze and to firms who sent in equipment. Both Prescott and Stamps foresters were called in.

Bolivia Tin Miners Holding 21 Hostages

By THE ASSOCIATED PRESS
LA PAZ, Bolivia (AP)—Defiant tin miners continued today to hold 21 hostages, including four Americans, despite a troop buildup and an offer from President Johnson of full U.S. assistance to the government of Bolivia to win freedom for the men.

One of the Americans, Thomas Martin, 27, of New York, a U.S. Information Agency officer contacted the U.S. Embassy Sunday night by radio-telephone for the second time since Saturday and said that he and the other three Americans were well. He said they were being held under strong militia guard, but did not elaborate.

President Victor Paz Estenssoro called a Cabinet meeting today, and there were reports he might decree a state of siege. The crisis was heightened by anti-government agitation being stirred up by Vice President Juan Lechin, leftist head of the Tin Miners Union.

The hostages were seized Friday in the Calavi area, about 155 miles southwest of La Paz by miners demanding the release of two Communist union leaders arrested by the government.

The government moved 1,000

Death Caused by High Winds

LITTLE ROCK (AP)—High winds caused one death, but only minor property damage in the Little Rock area Sunday.

Gary David Hibbs, 14, was killed by a basketball goal post which was snapped off by the wind.

The Weather Bureau said winds gusted up to 43 miles an hour, blew down trees, signs, power lines and a section of wall on a concrete block building.

Air travel from Little Rock's Adams field was restricted but no damage was reported there.

The winds diminished Sunday night and were expected to range between 12 and 15 miles an hour today.

HOPE, ARK.

Dear sir: Please enter my order for The Associated Press book "The Torch Is Passed."

I understand the price is \$2, and delivery will be made about December 30.

(print name plainly)

(address)

(order date)

A complete, beginning-to-end account of one of the most dreadful chapters in American history — the assassination of President Kennedy and the events that followed — is being prepared by the Associated Press in a book titled "The Torch Is Passed."

This newspaper has arranged to make it available to all its readers at the very reasonable rate of \$2. It will not be sold through bookstores.

Delivery of this handsome, large (10 by 13 inch) hard-cover book will start about Dec. 30. You can order right now by filling out the coupon and mailing it to the address indicated, with \$2 for each copy of the book desired.

Since the president's murder Nov. 22 there have been thousands of stories and pictures, with memories piling on memories. The AP's 100-page book will bring together the best of these in a permanent record of living history.

It will include color as well as black and white photographs — some already classics, some published for the first time.

The moving narrative will trace in detail the events to the instant of the tragedy — Lee Oswald's full history, the last happy moments of the Kennedy Texas tour, and the last sad journey to Arlington. It will cover the president's death at the hospital, the transfer of power to President Johnson, and how the word reached the other Kennedys, the nation and the world.

The story will be told by famous AP byline writers who witnessed and recorded the four days of tragedy. And there will be the words and deeds of many others who found themselves suddenly, somehow, playing roles on the stage of history.

The whole story — concise, complete, lavishly illustrated — will appear in this one book.

Johnson Turns to Budget and Spending Curbs

By FRANK CORMIER
WASHINGTON (AP)—President Johnson told Secretary of the Interior Udall today that he wants the Interior Department — not the White House — to set national oil policy.

It seemed apparent that Johnson, coming from a major oil-producing state, wanted to free himself in advance of any suggestion that his Texas ties were influencing national oil policy.

Udall also reported, after a meeting with Johnson, that his department's budget, going to Congress next month, will provide for "some new starts" on water projects—always a major concern in the Western states.

The secretary said the Interior budget has been pretty well fixed and can be described as a "hold-the-line budget, which is pretty good in a growing country."

In giving Udall's department primary responsibility for drafting oil policy, Johnson broke with the pattern followed by President Kennedy. Under Kennedy, the White House was the center of policy-making in this area.

The most important facet of national oil policy is deciding how much oil must be imported.

Johnson focused most of his attention again today on the federal budget—including a proposal to curb spending by eliminating some defense installations.

Johnson scheduled a morning meeting with Secretary of Defense Robert S. McNamara and Gen. Maxwell D. Taylor, chairman of the Joint Chiefs of Staff to go over some aspects of the military budget.

Top Budget Bureau officials, including Director Kermit Gordon, were summoned to review spending plans for the Justice and State departments, the Veterans Administration and the Federal Aviation Agency.

Johnson told a news conference Saturday that he and McNamara were making a study of defense installations to determine if any could be eliminated. An aide said one of the matters to be taken up during the day would be the possible consolidation of some military assistance groups overseas.

Under a new Johnson decision the payrolls of these assistance groups will be slashed by 10 percent within the next six months, even if none is eliminated.

Johnson worked in his office Sunday until about 7 p.m., when he took what has become a routine evening swim in the White House pool. Some of his late

Morrison Plunges Into Bitter Runoff

By DAVID ZINMAN

NEW ORLEANS (AP)—Front-running de Lesseps Morrison faced the issue of "federal intervention" today as he plunged into a bitter runoff for Louisiana's governorship.

"The people have demanded from the candidates their stand on federal intervention in state affairs," runnerup John McKeithen said.

McKeithen, 45, who had attacked the administration's civil rights program during the 10-man first Democratic primary, made it clear he would resume an anti-Washington campaign.

Such attacks halted with President Kennedy's slaying.

McKeithen, state public service commissioner, said the states rights issue "was borne out" by the fourth and fifth-place finishes of two strong segregationists — former Gov. Robert F. Kennon and Shelby H. Jackson, state superintendent of education.

Morrison, 51, appointed to a diplomatic post by Kennedy attempted to steer the runoff toward local topics. He said the issues were the need for a government cleanup and a positive boost-Louisiana program.

A former ambassador to the Organization of American States, Morrison for years has been regarded as a liberal in this Deep South state. Morrison had borne the brunt of stinging anti-Kennedy blasts.

How the losers' support is divided should tell the story of the Jan. 11 runoff.

Morrison, a former New Orleans mayor making his third try for the top state post, got 33 per cent of Saturday's primary vote, McKeithen 17 per cent.

But four years ago, Morrison drew the same 33 per cent total and saw Jimmie H. Davis—who had 25 per cent of the first primary vote—pick up enough support from the eliminated candidates to score a 65,000 vote runoff victory.

With 2,200 of the state's 2,219 precincts reporting, Morrison had 295,270 votes; McKeithen, 154,819; Rep. Gillis Long, distant cousin of U.S. Sen. Russell Long, 136,801; Kennon, 124,836; Jackson, 102,401; State Rep. Louis Michot, 37,708; and State Public Works Director Claude Kirkpatrick, 28,608.

The runoff winner faces Republican Charlton Lyons in the March 3 general election.

Justice Ward Speaks to Bar Group

Associate Justice Paul Ward of the Supreme Court of Arkansas was guest speaker at the Hempstead County Bar Association's last regular meeting of the year last week. It was ladies' night and the dinner meeting was held in The Tavern at Washington, Arkansas.

Mrs. Charles A. Haynes, Executive Director of the Pioneer Washington Restoration Foundation, arrangement for the dinner. She was assisted by Mrs. Kell, Mrs. Norwood, and Mrs. Hudley. The table was centered by a fruit arrangement with candles and holly on each end of the table. The mantel over the open fireplace was banked with magnolia leaves and red berries.

President Albert Graves and Mrs. Graves were on hand to welcome the members and the guests as they arrived.

Cold Grets 2nd Deer Season

LITTLE ROCK (AP)—Favorable cool weather greeted Arkansas deer hunters today as they set out on the state's second of three gun shooting periods.

Only bucks may be taken in this six-day period which ends Saturday. In the November deer hunting week doe could be shot on three days in the White River Refuge in East Arkansas.

The refuge is closed in the current season and will be closed in the third hunting period Dec. 28-Jan. 1.

Gus Albright, publicist for the state Game and Fish Commission, said conditions were dry but that cool weather would provide better scenting for dogs.

In the five-day December shooting period last year, 3,474 deer were taken and Albright estimated hunters would match that figure this year.

In the first deer hunting period this year, 13,232 deer were bagged. Albright explained that many more hunters go into the woods during the November period than in either later hunting period.

Airliner Crashes in Maryland, 81 Persons Perish

ELKTON, Md. (AP)—A four-engine jet airliner exploded and crashed Sunday night, killing all 81 persons aboard. Investigators looked for a cause today, as police searched for victims in a muddy cornfield.

The Boeing 707 of Pan American World Airways plunged to earth in fiery fragments from 5,000 feet during a thunderstorm. Witnesses said it was struck by lightning.

"It (lightning) could cause it," said B. R. Allen of the Civil Aeronautics Board, one of two federal officials heading the investigation.

"We really can't tell until we look at the wreckage."

The plane, en route from Puerto Rico to Philadelphia with 73 passengers—two of them infants — and a crew of eight, came down in a stubbled cornfield about 15 miles southwest of Wilmington, Del., near U.S. 40 and the Maryland-Delaware line.

By good chance, about 65 persons had stepped safely off the plane during a stop in Baltimore only a few minutes earlier.

"It was a funny noise, a sound I had never heard before, unbelievable," said Mrs. Dean Wilmoth, who lives in the village of Meadow View near Elkton.

"We knew there would be no survivors out of it, because it was just a ball of fire."

The plane disintegrated in the air. Sheriff Edgar Startt said bits of wreckage fell over an area of four square miles. The cornfield was a rain-soaked jumble of burning bits of wreckage.

As officials met to plan their investigation of the tragedy, a skirmish-like line of state troopers and sailors from the nearby Bainbridge (Md.) Naval Base moved through the fields. The sailors were told to raise their hands when they found anything.

As hands began popping up, white-coated troopers answered each call, tagging the remains and returning them in plastic bags for transportation to a temporary morgue set up in the Elkton National Guard Armory.

No one could tell how many victims were being found. It was seldom that there was anything large enough to be identified at all.

ELKTON, Md. (AP)—Expert investigators looked for proof today that lightning caused the crash of a big Boeing 707 jet airliner in which 81 persons perished Sunday night.

The Pan American World Airways jet, en route from Puerto Rico to Philadelphia, fell in fiery fragments from 5,000 feet during a lightning storm.

Seventy-one persons had disembarked from the plane during a stop in Baltimore only 10 minutes earlier.

The proud airplane disintegrated in the air. Bits of wreckage flew over an area estimated by Sheriff Edgar Startt of Cecil County at four square miles. The crash occurred about 15 miles southwest of Wilmington, Continued on Page Three

2 Men Kidnap Son of Singer Frank Sinatra

STATELINE, Calif. (AP)—Frank Sinatra Jr., singing son of the famed crooner and film star, was abducted by two men at gunpoint Sunday night from his motel room just before he was to go on stage at a casino, sheriff's deputies reported.

Several hours later police radio broadcasts alerted all units to look for two men for questioning. They were identified as Joseph James Sorce, 23, and Thomas Patrick Keating, 21.

Officers available to newsmen gave no reason why the men were sought. Nor were they identified further.

Authorities said the FBI had been called in on the case.

Deputies immediately set up roadblocks on mountain roads in the Lake Tahoe area, already made difficult by three inches of snow.

Sheriff George Byers of Douglas County, Nev., said "we still think they are in the area," on the California - Nevada border. Sinatra is 19 years old.

Sinatra Sr. flew in his two-engine plane to the area early today from Palm Springs, Calif. He was to start work this morning at Warner Bros. studio in Los Angeles on the movie, "Robin and the Seven Hoods."

Only three months ago he announced he would divest himself of Nevada gambling interests estimated to be worth about \$3.5 million.

He pulled out after the Nevada Gaming Control Board accused him of violating state regulations by entertaining Chicago underworld figure Sam Giancana at Sinatra's Cal-Neva Lodge on Lake Tahoe.

Ironically, young Sinatra was touring with a band, led by Sam Donahue, billed as the Tommy Dorsey Band. Sinatra Sr. rose to fame with that group, and in his act the younger Sinatra sang his father's old songs.

Also ironically, young Sinatra sang at Harrah's Lake Tahoe Casino, a competitor of his father's.

Negro to Get 3rd Trial for Murder

NASHVILLE, Ark. (AP)—Edward Walton Jr., a 31-year-old Negro twice sentenced to death, will face his third trial Wednesday for first-degree murder.

Walton is accused of shooting Roy Hollman, a night watchman at a service station in Ashdown, during a burglary of the station in June of 1959.

Walton was convicted at Ashdown in August, 1959, but the state Supreme Court reversed the lower court's decision because of an error in instructions to the jury.

He was convicted again in July, 1960, and the state Supreme Court turned down an appeal, but the U.S. Supreme Court sent the case back to the trial court. The U.S. Court said Walton's rights under the 14th amendment had been violated because he was not represented by counsel at his arraignment, when he allegedly confessed. The alleged confession was used as evidence at Walton's trial.

A change of venue, from Ashdown to Nashville was granted for the third trial.

Rupp Begins to Change Mind About His Team

By TED MEIER

Associated Press Sports Writer

Adolph Rupp hasn't exactly changed his mind about his University of Kentucky basketball team that has won its first three games impressively, but he's wavering.

When his Wildcats were ranked ninth in the pre-season Associated Press college basketball poll the cagey Baron of the Blue Grass said he thought they were over-rated.

The veteran coach, who has a remarkable 687-134 won-lost career record said after his boys whipped Virginia and Texas Tech: "We may get hurt on many occasions due to the lack of a so-called big man. Those next games should be important guides to our future chances."

Rupp was referring to the games with Northwestern and North Carolina. His boys trounced Northwestern 95-63 Saturday night for their third straight victory. The North Carolina test comes tonight at Lexington, Ky.

On the basis of their first three games Rupp shouldn't have many sleepless nights. Cotton Nash and Ted Deeken starred against Northwestern just as they did against Virginia and Texas Tech. They combined for 56 points against the Big Ten club, Deeken with 29 and Nash

Oakland Nips the Leaders of League

By MIKE RATHET

Associated Press Sports Writer

"This club is great on offense

27. Kentucky's turnaround from this so-so-for-the Wildcats—16-9 record of last season has been the highlight so far of the new collegiate campaign. Chicago Loyola, No. 1, and NYU, No. 2, each have won twice, but the Ramblers and the Violets were hardly extended by North Dakota and Kent State and Cornell and Tulsa, respectively.

The Duke Blue Devils, ranked fourth, won the Centennial Classic at Morgantown, W.Va., by edging No. 7 Ohio State 76-75 and then coming from behind to defeat West Virginia 86-81 in Saturday's final.

Kansas' Jayhawks and the Sun Devils of Arizona State moved into a more prominent spot in the national picture with impressive victories over the third-ranked Cincinnati Bearcats and the fifth-ranked Wichita Wheatshockers.

Kansas ended a 90-game home winning streak for Cincinnati with its 1-47 triumph over the Bearcats on six free throws by Walt Wesley, George Unseld and Al Correll. Art Becker's 36 points led the sixth-ranked Sun Devils to their 93-87 conquest of Wichita, Dave Stallworth tossed in 43 points for the Shockers who lost their second straight.

Ohio State took the consolation prize in the Centennial Classic by nipping St. John's of New York 66-64. No. 8 Michigan was idle Saturday, but the Wolverines beat Tulane and Nebraska earlier in the week. Unbeaten Oregon State, No. 10, thumped Washington 91-60 for its fourth in a row.

when us defensive players are in there."

Not eloquent. But accurate.

A Boston player said it, but it could have been an Oakland player or a Kansas City player. On Sunday's American Football League program, the only team that didn't need too much defensive help was Buffalo. They had Cookie Gilchrist.

Here's the way it went:

Oakland shattered San Diego's offense in the fourth quarter, capitalizing on two fumbles, a bad punt, a personal foul penalty and an interception for 31 points and a 41-27 victory that moved the Raiders to within one game of the Western Division leading Chargers.

Boston turned three fumble recoveries and two interceptions into 21 points in the second quarter, whipped Houston 46-28 and took over first place in the Eastern sector. The Patriots need only a tie or victory in their last game at Kansas City Saturday to clinch the title.

Kansas City's Chiefs, with only two previous victories, won their first game in two months as the defensive team scored one touchdown and set up three others with blocked punts and interceptions in a 52-21 wallowing of Denver.

Gilchrist, meanwhile put on an outstanding one-man show, rushing for 243 yards in 36 carries and scoring five touchdowns rushing—all league records—as the Bills crushed the New York Jets 45-14 to keep their flickering Eastern title hopes alive.

In the National League, New York took over first place in the East with a 44-14 victory over Washington. Chicago remained in first in the West by defeating San Francisco 27-7. Pittsburgh edged Dallas 24-19. Detroit belted Cleveland 38-10. St. Louis whipped Philadelphia 38-14. Green Bay downed Los Angeles 31-14 and Baltimore overwhelmed Minnesota 41-10.

A sellout crowd of 20,249

Airliner

Continued From Page One

Del., near the Maryland-Delaware border and U.S. 40.

The Federal Aviation Agency in Washington said the plane was on a holding pattern near the New Castle, Del., Airport at 8:58 p. m. (EST) awaiting clearance to approach Philadelphia International Airport.

Then, said Raymond Gregg of Elkton, "It was just like the sun was coming at me. It was so bright I couldn't look at it."

Another witness, Henry Lindell of Newark, Del., said it was apparent to him that lightning had blasted the plane from the air.

"There were two large arched streaks of lightning in the air," he said. "An instant afterward the sky was completely lit up by a bright orange. You could see the parts of the plane starting to fall then."

Early today, 11 Civil Aeronautics Board and 7 FAA officials arrived to start the investigation. The area was cordoned off and flares sent an eerie light over the torn, blasted and charred wreckage.

There were few large pieces of wreckage, although one big jet engine dug a hole 100 yards from the home of Gregg. Small bits of airplane parts fell on the farmhouse roof of Mr. and Mrs. Henry Berry.

Edwin R. Tully, special agent in charge of the FBI office in Baltimore, said the flight recorder, which is designed to survive crashes and tell investigators about the minutes preceding the disaster, had not been found.

Tully confirmed that several witnesses had said lightning struck the plane.

Pan Am said Flight 214 departed San Juan at 4:10 p. m. and arrived in Baltimore at 7:35 p. m., where the 71 passengers got off. It left Baltimore at 8:25 p. m. and was expected in Philadelphia at 8:45 p. m., 15 minutes behind schedule.

The airline said the last known radio contact between the plane and ground was a terse, terrifying message: "Going down in flames at 0158 Zebra" (8:58 p. m. EST).

The message reportedly was overheard by the ground control center in New Castle, Del., and at Dover, (Del.) Air Force Base.

Witnesses said burning fragments spiraled lazily to the ground, then exploded into small fires despite a pelting rain.

Jerry Greenwald, 20, of Hockessin, Del., watched the crash

Johnson Turns

Continued From Page One

Sunday actions included:

—An order that \$234 million of GI insurance dividends be paid to 4.7 million policyholders next month to help buttress the economy. Normally, payments would have been strung out through the year. President Kennedy ordered similar speed-ups in 1962 and 1963.

—Johnson offered the Bolivian government any aid it may need in order to hunt and free four American government

workers kidnaped by miners who hope to force the release of two union officials held on criminal charges. The offer was said to include military assistance, including the loan of military helicopters and crews.

The President discussed the Bolivian situation with Secretary of State Dean Rusk after returning from a flying visit to New York to attend funeral services for Herbert H. Lehman, former New York governor and U.S. senator. While in New York Johnson paid a brief courtesy call on former President Herbert Hoover.

Johnson attended Sunday services at St. John's Episcopal church, across Lafayette Park from the White House.

On Saturday night—Johnson's first in the White House—he took his wife, Lady Bird, out to dinner at the home of his long-time aide, Walter Jenkins. They stayed out until 10:45 p. m.

Earlier in the day, Johnson surprised newsmen by inviting them into his office for coffee—and a very informal news conference. Among the announcements made at this unusual session were these:

—Johnson has ordered the Defense Department to cut its civilian payroll by 25,000 workers—to 997,000 by July 1, 1965.

—McNamara is being sent to South Viet Nam this week to have a new look at the anti-Communist war and the political situation there in the wake

from a window of the Merryland Roller Rink near Glasgow, Del.

"It looked like a bomb explosion," he said. "There was a big flash and a few seconds later you could see the wing torn off, falling out. The plane came down slowly and when it hit the ground it looked like it exploded again."

Elkton, Md., a community of nearly 6,000 persons, is in the northeast corner of the state, just west of the Delaware line, and about 10 miles south of the junction of Maryland, Delaware and Pennsylvania. It is roughly midway between Baltimore and Philadelphia astride U.S. 40.

The crash scene, just north of Elkton, is some 15 miles west of the Delaware Memorial Bridge. The terrain there is low

Iowa Florist Is Duck Call Champ
STUTTGART, Ark. (AP) - The 1963 world's championship duck calling contest got started 30 minutes late and was delayed by rain and winds Saturday night, but a 32-year-old Iowa florist outlasted the elements to win the crown.
The new champ, Mel DeLang of Burlington, was the next-to-last man to take the stage, and walked off with the first prizes - a \$1,000 savings bond, a trophy and an emblem.
A Stuttgart real estate and loan agent, Leavell R. Smith Jr. 29 was second and John H. Liston, 28, of Knoxville, Ill., a teacher and coach, was third.
Willie E. Bell, 29, of Port Arthur, Tex., was declared fourth after judges first ruled he had first place votes in the selection.

Bobcats Open With Win Over Nashville
By CARTER HARDAGE
Hope Star Sports Writer
The Bobcats opened their basketball season Saturday night by lowering the boom on the Nashville Scrappers 67-36, while the Lady Cats triumphed in a come-from-behind victory, 47-43.
In their first win in two starts, the senior girls rallied midway in the last quarter, and just managed to squeak by. The dismal score of 28-19 led many a fan to despair at halftime, but a tremendous defensive effort held Nashville to only fourteen points the entire second half, while Hope racked up a total of 28. Annette Hatfield led the Ladies in scoring with 17 points, while Shirley Smith had 15, Carolyn Hatfield 11, and Phyllis Martin 4. Regina Smith, Judy Owen, Gwen Farmer, and Jennifer Smith turned in an excellent battle on defense.
Coach Billy Mitchell remarked of his team, "I think we did very well for our first ball game. We didn't have too much finesse, but we did have a lot of hustle."
Nashville was no match at all for the Cats. Hope was so far ahead at the half that they were practically out of sight, and this was even without the services of Dan Jones, out with a knee injury, and Jerry Burnett, benched with a broken hand. Both are returning starters.
Scoring the biggest percent of the Cat's 67 points was Bill Reinhardt, who had 17. Mike Allen and Paul Henley both had 8; Honeycutt, 7; McLarty and High 6 apiece; Archer, 5; Thrash and G. Jones, 4 each; and McGill, 2. Mike Archer had the distinction of scoring the first goal of the season, and also the rather dubious honor being the first Bobcat to foul out.
The next game for the Cats will be 7:30 Wednesday night, against Fairview in the Magnolia tourney.

Steelers Are Really After That Title
By MIKE RATHET
Associated Press Sports Writer
The Pittsburgh Steelers, stopped on fourth down every time they've been close to the National Football League throne room, have faked their way into a winner-take-all battle at New York and a shot at grabbing their first Eastern Conference title.
The Steelers had the clock and the scoreboard stacked against them at Dallas Sunday, trailing 19-17 with only 3 1/2 minutes to go while the Giants' 44-14 victory over Washington already had been posted. And the Steelers were locked on their own 16, fourth down and 14 to go.
Pittsburgh quarterback Ed Brown went back into punt formation, faked a kick, then whipped a 42-yard pass to Red Mack. The Steelers kept the drive going until Theron Sapp bolted 24 yards off right guard for the deciding touchdown with 1:53 left - his first TD as a Steeler.
The Steelers, unable to win a division crown since they entered the league in 1933, now are 7-3-3 to the Giants' 10-3. Pittsburgh must beat New York to win the title while the Giants can clinch their third straight Eastern championship with either a victory or a tie.
The situation is much the same in the West, where the Chicago Bears lead at 10-1-2 after avenging their only defeat by downing San Francisco 27-7. Green Bay is a half-step back at 9-2-1 following a 31-14 romp over Los Angeles in a Saturday game.
The Packers, seeking an unprecedented third consecutive NFL title, can win the Western title outright only if they win at San Francisco Saturday and Chicago loses. The Bears can clinch either with a tie or a victory against Detroit.
The Lions knocked Cleveland out of the Eastern race Sunday by rolling to a 38-10 victory that continued their hex over the Browns. And St. Louis, the only other Eastern team that went into action alive, was eliminated despite a 38-14 thumping of Philadelphia built on Charlie Johnson's four touchdown passes.
In the only game on the weekend program that did not have a bearing on the title races, Johnny Unitas had a field day in passing Baltimore to a 41-10 walloping of Minnesota.
Boston took over first place in the American Football League's Eastern Division with a 46-28 victory over Houston, Oakland kept its Western title hopes alive by drubbing first-place San Diego 41-27. Buffalo crushed New York 45-14 and Kansas City trounced Denver 52-21.

that Theodore O. Pruett Jr., 33, of Memphis had taken fourth place. The confusion came from a vote count mistake.

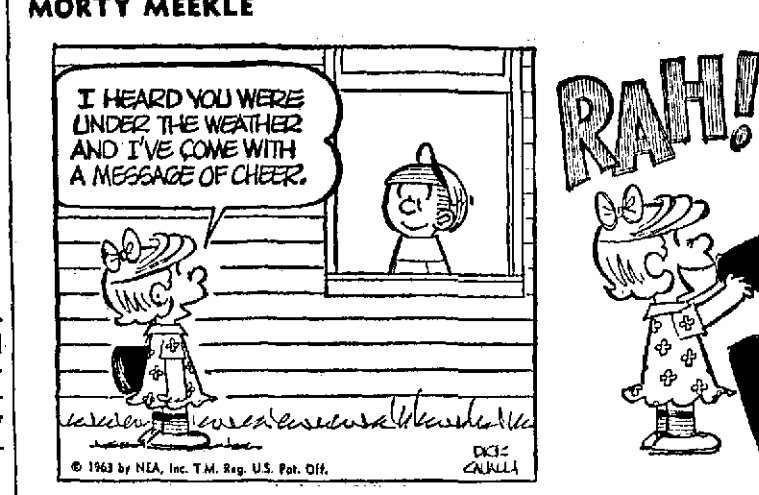

Giardello Licks Tiger for Crown
By MURRAY ROSE
Associated Press Sports Writer
ATLANTIC CITY, N.J. (AP) - To freshly crowned champion Joey Giardello, the middleweight title means vindication, redemption, and most important, a better life for his wife and three children.
"This is what I dreamed of but I never thought I'd get the chance again," said Giardello, who conquered Nigerian Dick Tiger Saturday night.
"Now, maybe, people will stop throwing up the past, and maybe they'll just look at me as the champion. That's the way I'd like it to be."
"I'm no longer a wild kid. I did a lot of crazy things and I paid for it."
Eight years ago Giardello was convicted of assaulting a service station attendant. He was sentenced to six to 18 months but was paroled after serving three. In a move to hasten his rehabilitation, the Pennsylvania Athletic Commission restored his boxing license.
He fought his way back to the top and a title fight with Gene Fullmer on April 20, 1960. The bloody brawl wound up a draw.
"I thought I won it and I thought, too I'd never get another chance," said Giardello today. "But Tiger is like me—he fights everyone—and he gave me the shot. I'm gonna give him the shot right back."
First, the punch-scarred veteran of 15 years in the ring said he was going to rest and spend time with his family.
"I'm confident I'll beat him again," said Giardello. "Before Saturday I fought that fight over in my mind a hundred times and it always came out the same way—me winning. I was in the best shape of my life. For this fight, Sonny Liston could have been in there with me."
"Tiger did everything I expected him to do and I had the answer for every move. After the 14th round the guys in my corner said 'Joey, you're the champion.' I actually cried."
"Then in the 15th Tiger put up his hands and waved for me to come in. He could have waved until the next day. I wasn't coming in."
That's the way it went for most of the 15 rounds in Convention Hall. Tiger stalked and Giardello moved. The 34-year-old defender was sluggish and erratic. He missed often as Giardello danced out of range, jabbing, hooking and cuffing as he moved.
Referee Paul Cavalier, the only official, had Giardello, a 3-1 underdog, the winner by a rounds score of 8-5 with two even. Most of the boxing writers had similar scores.
Tiger, who weighed 159 to Giardello's 158, had a three-year winning streak snapped at 10. It was Giardello's fifth straight victory in 13 months.
